WHAT'S ON  
SUMMER 2022

**North  
Lincolnshire  
Council**

Department  
for Education

## Summer Fun in North Lincolnshire

*Have fun with your friends, learn new skills, gain confidence and get involved!*

North Lincolnshire Council is working with local schools, voluntary and community organisations, and childcare providers to run an exciting holiday programme this Summer. This programme is called FUELLED.

There are free places available on the programme for children and young people aged 5 to 16, who are either eligible for benefits-related free school meals or selected by their school.

Children and young people are invited to take part in a range of fun activities, happening at various venues from across the county.

Use this Guide to find out what activities will suit your child/ren. There is something on offer for everyone, including: sports, music, arts, cooking, gardening and other exciting opportunities. See the website site for dates and times ([www.northlincs.gov.uk/fuelled](http://www.northlincs.gov.uk/fuelled))

Free nutritious meals will be provided at each session, as well as information on nutrition to benefit the whole family.

**Booking:** You will have received a letter direct to your home if you have a child eligible for the scheme. It will contain a unique code which entitles your child/ren to free places on the many holiday activities in North Lincolnshire.

To book an activity go to [www.northlincs.gov.uk/fuelled](http://www.northlincs.gov.uk/fuelled) Select the Book an Activity button. Choose the activity that you would like, register for an account and book your child/ren on.

If you believe you are eligible but have not received or have lost the letter then please email us at [Fuelled@northlincs.gov.uk](mailto:Fuelled@northlincs.gov.uk) or ring 01724 297270 to ask for your child's unique code.

Many of the providers are running inclusive activity, with places available for children and young people with SEND (Special Educational Needs and Disabilities). You can filter SEND inclusive activities on the booking system. When booking onto an activity, please contact the provider to discuss your child's needs if you need to. We are also working in partnership with Short Breaks to offer a range of activities for Fuelled too.

Some of the holiday programmes also include spaces for children and young people who are not in receipt of free school meals (please contact activity providers for prices and availability).

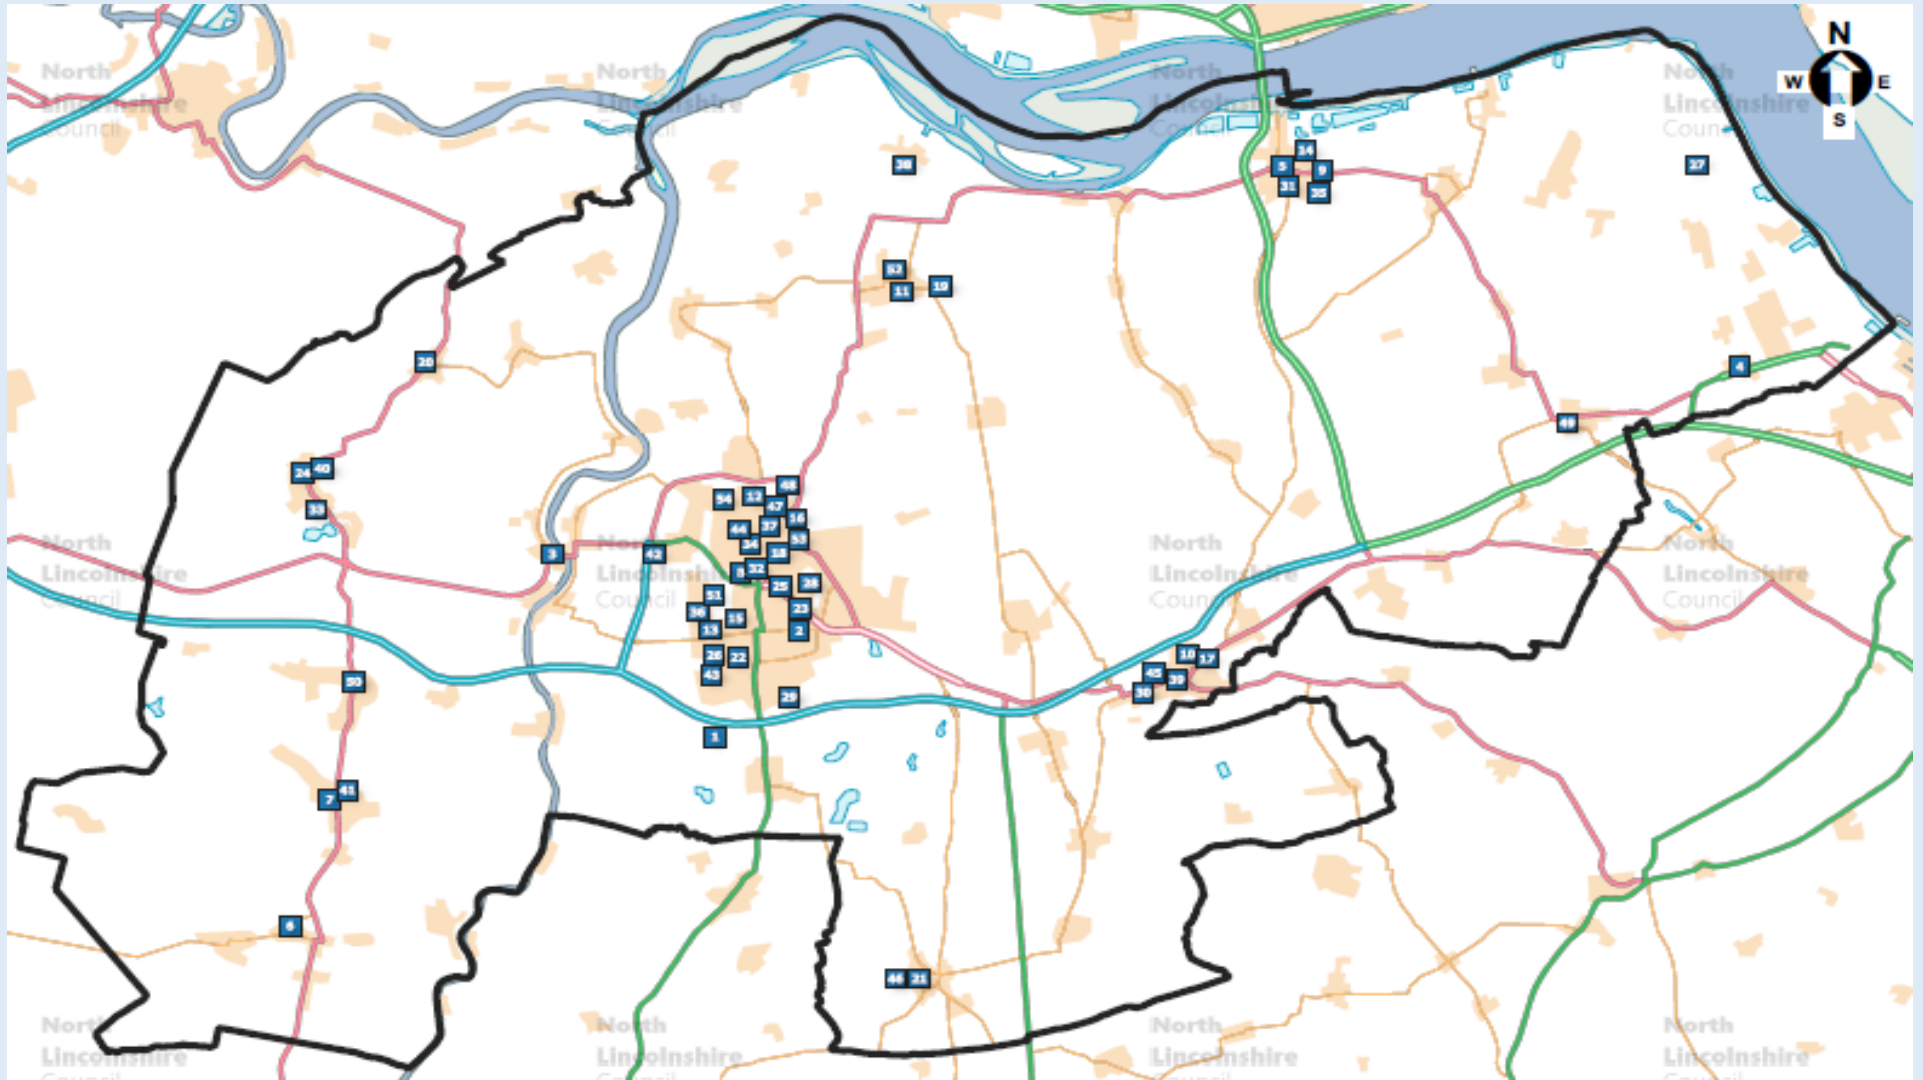

If you have any questions about the activities, availability of spaces and booking, please contact the organisation / venue directly using the contact details under their listing.

An electronic version of this guide, along with other useful resources and details of signing up to the FUELLED newsletter is available at: [www.northlincs.gov.uk/Fuelled](http://www.northlincs.gov.uk/Fuelled)
