Paid STEM Internship 2022

Interested in becoming a Teacher?

Are you a student of Maths, Physics, Computing, Engineering, Science, Technology or other related STEM Degree subjects?

Would you like to earn £300.00 per week whilst gaining teaching experience this summer?

We have places available for STEM Interns and our application window is now open.

Our 3 week programme runs from 13th June to 1st July 2022

Our partner schools are:

- The Becket School, West Bridgford
- All Saints' Academy, Mansfield
- The Trinity School, Nottingham
- Christ the King School, Arnold
- St Bede's School, Cleethorpes
- St Peter & St Paul's School, Lincoln

"Before the Internship I considered teaching, but my 4 week placement confirmed my decision to teach."
