## Year 11 Information Evening

### Thursday 9th February 6:00-7:30pm

This event is very important, as it will feature presentations from the English and maths Departments detailing the courses and materials available for revision. There will also be important information from other subjects regarding exam dates and coursework deadlines, successful revision techniques and access to a wealth of revision materials, the majority of which is totally free. In addition, we will outline intervention strategies which will be offered to support your child over the next five months.

If you would like to attend the evening please sign up on ParentPay.

Feedback from previous year groups has been extremely positive. The evening runs from 6:00pm-7:30pm, please use the main door for entry. As usual car parking can be an issue around the school on evenings like these. Mr Hibbard
