Prom

On Friday evening we held Prom for our Year 11 students at Forest Pines. It was a great success and the students represented themselves and the school exceptionally well. We would like to wish them good luck on their post 16 journeys. A special thank you to a parent who provided a sweet treats grazing table for the students.

Encouraging Reading at Home

Questions to ask whilst reading with your child

During Your Reading:

Check Understanding Regularly

As you read, you will come across words and information they may not fully understand. Make sure you pause and check your child's understanding, thoughts or ideas about something they've read regularly to ensure that they definitely understand what they are reading.

- What do you think ... means?
- If neither of us know what it means, how could we find out?
- What do you think the writer is suggesting here?
- Which pieces of information do you think are most important and why?
- Is the writer saying ... or ...? Why do you think that?

Trust parent survey

We are reaching out to you today to invite you to participate in a vital project aimed at collecting your valuable information and views regarding your child's education and the overall school experience.

At Our Lady of Lourdes Trust, we firmly believe that parental engagement is a foundation of our pupils' success. Your perspective, opinions, and feedback are invaluable to us in shaping the educational journey of your child and enhancing the quality of our school and wider Trust community.

To ensure that your views are listened to we have launched an online survey. This survey provides you with an opportunity to share your thoughts on various aspects of your child's education, the school environment, and areas where we can further improve.

By participating in this survey, you contribute to the continuous growth and development of our school community. Your insights will help us:

1. Understand your needs and aspirations: Your feedback will provide us with a deeper understanding of your child's experience at school.
2. Strengthen communication and collaboration: We are committed to encouraging open and transparent communication between our school and parents. Your input will help us identify ways to improve our communication channels.
3. Enhance our strategies and initiatives: Your feedback is important to us.

We value your time, and we have ensured that the survey is user-friendly and can be completed conveniently. The questions cover a range of topics and will only take 5 minutes to complete. Your responses are anonymous, although we will request an email address to ensure singular responses.

To access the survey:

Either access the below QR Code:

Or the below website address:

<https://forms.office.com/e/pupusuTruP>

We kindly request you to complete the survey by 17th July, as this will allow us to analyse the results and carry out necessary changes quickly.

Your active participation in this project is invaluable, and we greatly appreciate your time and effort in providing us with your honest feedback. Together, we can create an even more enriching educational experience for our students.

If you have any questions or require further information, please feel free to contact your school.

Thank you for your continued support and partnership in your child's education.

Best wishes,

Robert della-Spina
