## Thursday 21st December

As the festive season approaches, we would like to inform you of a special arrangement regarding the school schedule. In the spirit of celebrating Christmas, St Bede's Catholic Academy will be closing early at 12:25pm on Thursday 21st December for the Christmas break.

This decision has been made to allow our students, staff, and their families to enjoy quality time together during the holiday season. We believe that this early closure will contribute to the festive atmosphere and provide an opportunity for everyone to partake in the joyous celebrations.

Please make the necessary arrangements to ensure your child is picked up promptly on the specified date and time. If your child is Free school meals and you would like them to bring home a school packed lunch please email [kglynn@stbedesscunthorpe.org.uk](mailto:kglynn@stbedesscunthorpe.org.uk) by 15th December to preorder, the canteen will not be open at lunch time. If you have any concerns or if alternative arrangements need to be made, please do not hesitate to contact the school office. The school bus will collect students at 12:25pm.

We appreciate your understanding and cooperation in this matter.

## Double Parking

Can we please remind parents not to double park outside school, this is posing a risk to our students.

# ST BEDE'S READS

When twelve-year-old Ami arrives at The Escape, she thinks it's just a game – the ultimate escape room with puzzles and challenges to beat before time runs out. Meeting her teammates, Adjoa, Ibrahim, Oscar and Min, Ami learns from the Host that they have been chosen to save the world and they must work together to find the Answer. But as he locks them inside the first room, they quickly realise this is no ordinary game.

**The Blue Door** is a specialist service who provide support to anyone that has experience domestic abuse and sexual violence in North and North East Lincolnshire, and those who have experienced rape and serious sexual offences in Hull and East Yorkshire. It is important to highlight this so all of our parents are aware that there is support available to you or anyone you know that might need it. They have a helpline 0800 197 47 87, office number 01724 841 947 or email [info@thebluedoor.org](mailto:info@thebluedoor.org)

If you need any support with this from school, please do not hesitate to contact the safeguarding team.

Please find the below from their website:

Independent Domestic Violence Advocates (IDVA)

IDVAs offer practical, needs led support to those that have experienced domestic abuse. This support can range from urgent and immediate risk management support, eg arranging emergency housing or assisting with obtaining a non-molestation order (injunction) from the court to longer term support; debt management and benefits advice, arranging counselling and rehousing.

On referral one of our IDVA team will contact you to arrange to see you in a place that is safe and discreet. We will conduct a risk and needs assessment. We will then explain all of your options and address any immediate safety needs. Together with you we will create a support plan based on what you would like. We understand that meeting a stranger to talk about your experience of domestic abuse can be daunting, we can offer as much or as little support as you would like. We can contact other agencies and services for you and act as your advocate and support at meetings and court hearings.

Some of the things we regularly support people with are;

- Safety
- Employment
- Housing
- Finance and Debt
- Divorce
- Child Contact

To book an appointment to see an IDVA [click here](#) or call us on 0800 197 4787, if you are in North East Lincolnshire please visit [www.womensaidnel.org](http://www.womensaidnel.org).

## Safeguarding

Dear parents and carers,

Teen depression is a serious mental health problem that causes a persistent feeling of sadness and loss of interest in activities. It affects how your teenager thinks, feels and behaves, and it can cause emotional, functional and physical problems. Although depression can occur at any time in life, symptoms may be different between teens and adults.

The following link takes you to the NHS website for advice around signs of depression in children

Please contact the safeguarding team at ST Bede's if you require support for your young person.
