School days until first whole school exam

7

Welcome back

We all hope students and their families had a celebratory and restful Easter Holidays and that students are ready for we all know will be busy time for them.

Revision

It is now extremely important that students have routines imbedded at home for revision. This ideally needs to include some kind of revision timetable of what they will be revising at home and space available where they will not be distracted. Will still encourage students to actively use all revision resources available to them such as tassomai, seneca, gcsePODS and the school website alongside their other revision material.

Homework

It is still extremely important that students complete homework to the best standard. At this time of the year homework tends to be more exam practice questions and we cannot express enough how valuable this is to students.

Punctuality to school and lesson

As always it is an expectation that all students arrive in school on time ready to learn. During the school day we do not expect any student to be late lesson without a valid reason from a member of staff as this delays the start to valuable teaching time.

Attendance

In the run up to the exams now we cannot emphasize enough the importance of having 100% attendance. If students miss a day off school they lose a valuable teaching time and opportunities.

Y11 football

Good luck to the Y11 football team who play in the final this weekend at Glanford Park.

PE Moderation

We would just like to say a massive thank you to all students who took part in the PE moderation today. The moderator could not speak highly enough of our students and they should all be very proud of themselves.

Diary Dates

W/C 22nd April
Languages - speaking

Thursday 2nd May
GCSE ICT

Thursday 9th May
First whole school GCSE Exam
- RS

Tuesday 7th May
Health & Social Care
