Uniform and Equipment Policy

"We commit ourselves to love, respect and serve one another as disciples of Jesus Christ"

Date of approval	July 2026
Date of review	September 2027

Our School Uniform: Promoting Identity, Equity and Excellence

A shared uniform helps our community live out our mission to “love, respect and serve one another as disciples of Jesus Christ”. By dressing in a consistent and dignified way, pupils show respect for themselves, respect for others, and respect for the learning environment. Wearing the uniform with pride reminds every child that they belong to something greater than themselves — a community rooted in Gospel values. It promotes fairness, reduces social pressure, and encourages pupils to focus on character, conduct and service rather than appearance. In this way, our uniform becomes a daily expression of unity, humility and readiness to serve one another.

We work closely with our uniform supplier to review the cost of uniform annually, ensuring it remains reasonable and offers the best possible value for money for families. We understand that quality and durability are as important as affordability. High-quality garments not only represent better value over time but are also more sustainable and environmentally responsible.

Branded Items and Government Guidance

In accordance with the Department for Education’s statutory guidance, from September 2026 all schools will be legally required to limit compulsory branded items to a maximum of four.

Our four compulsory branded items are:

- The **school tie**
- The **blazer with school badge (Y7-10) and school jumper (Y11)**
- The **school skirt**
- The **PE shirt**

These have been carefully selected to preserve our school’s identity while complying with the legal requirement. Additional branded items are available but are not compulsory.

Uniform Supplier

For specific uniform items the school has a designated supplier, Shah’s. Purchasing from our approved supplier is strongly recommended to ensure items meet the correct specification. Shah’s offers:

- Online ordering via: <https://www.shahsuniform.co.uk/st-bedes-catholic-voluntary-academy-school-uniform>
- The opportunity to visit their shop, where they offer fitting. Shah’s can be found at: 109-111 West Street, Scunthorpe. DN15 6EQ. Please call (01724) 844934 for details of opening times.

The school follows a competitive procurement process, with the contract re-tendered at least every five years. This ensures the best value for families, consistent product availability throughout the year.

For non-branded items families are welcome to purchase items from a supplier of your choice.

Support for Families

We are committed to making school uniform accessible to all. The school provides additional support to eligible families and maintains a regular supply of high-quality second-hand uniform, available for any parent who wishes to make use of it. All pre-worn items are checked to ensure they meet our standards.

Parents wishing to access second-hand uniform or enquire about financial support should contact the school reception.

The school encourages parents to make use of Vinted, Facebook marketplace etc to source good quality and affordable second-hand items.

Non-Uniform days and trip

At specific times throughout the year the school will allow students to attend school in non-uniform, this is to raise money for charity or projects or as a reward.

The decision around whether students are expected to wear school uniform on trip is taken by the trip lead and will be communicated to parents through Arbor.

During non-school uniform days, trips and events, students must wear appropriate and reasonable clothing. The following are not permitted:

1. Inappropriate clothing
2. Lycra Shorts, Nike Pro shorts or shorts of a similar length/style to Nike Pro

On non-uniform days the expectations around jewellery remain, students are allowed to wear only a stud earring in each earlobe.

Items of religious or cultural significance

The Headteacher may grant exceptions to any of the above, but only where this is required as a matter of **sincere religious observance or cultural significance** and where this can be substantiated by a priest or relevant community leader.

Make-up

Students must not wear any make-up whatsoever. If found to be wearing make-up of any description pupils will be asked to remove it immediately. Failure to do so will result in an immediate sanction. Nail varnish of any description, as well as nail extensions, are similarly forbidden.

Pupils are not allowed to wear henna.

Uniform Adjustments During Extreme Weather

The school is committed to ensuring students are safe, comfortable, and able to learn effectively in all conditions. During periods of **extreme weather**, temporary adjustments may be made to uniform expectations while maintaining our high standards of presentation.

Hot Weather Adjustments

In periods of unusually hot weather, the following measures may be introduced:

- **Blazers may be removed** throughout the day, including in lessons and at social times.
- **Top buttons and ties** may be relaxed, particularly during the hottest parts of the day.
- In the event of **sustained or extreme heat**, students may be permitted to wear their **PE kit** instead of the usual uniform. This will only apply when authorised by the school.

Parents and students will always be informed of any temporary changes in advance through our usual communication channels.

Cold or Wet Weather Adjustments

In cold or adverse weather conditions, students may:

- Wear **appropriate outdoor coats** (but not in place of the school blazer).
- Use **scarves, gloves, and hats** while outdoors (to be removed indoors).

All weather-related adjustments will be decided by the senior leadership team and clearly communicated to both students and parents ahead of implementation

Naming of pupil property is important for clear identification if it is misplaced or lost. In exceptional circumstances, where students are unable to wear correct school dress, parents are asked to provide a note for the form tutor to consider.

The school reserves the right to make the final decision on what is considered appropriate as part of the school uniform. Please note that not every eventuality may be covered in this policy, as styles and fashions evolve.
